**Indianapolis Area Model Train Club Display and Tippecanoe County Historical Association  
offering family friendly activities at Lafayette's Historic Big Four Depot**

Lafayette, Ind. – May 10, 2014 – The Central Indiana Ntrak Model Train Club, CiNTrak, and Tippecanoe County Historical Association's (TCHA) "History on Tour" trailer, will be at the Historic Big Four Depot on Saturday May 10th from 10am-4:00pm to help celebrate National Train Day.

CiNTrak members return to this year's National Train Day event in Lafayette for the third year. "Club member Riley Kloefer approached the city in 2011 during Amtrak's 40th anniversary celebration, offering to bring his railroading club the following year to set up their model trains." said city planner, Margy Deverall, who is helping arrange this year's event. "We really enjoy attending and we would like to come back and do it again." wrote Riley Kloefer back in December.

New this year, National Train Day activities will include TCHA's "History on Tour" trailer with information and train memorabilia celebrating our county's love of trains. Kid friendly handouts, coloring books, buttons and stickers from Amtrak will be available, along with facilities information from Lafayette Parks & Recreation Department, other city departments, and event information thanks to Visit Lafayette-West Lafayette. Join us for this great family event; fun for train enthusiasts of all ages.
